

One of The Largest Tri-County Private Employers

After State of Oklahoma, Weyerhaeuser, Tyson and Choctaw Nation

Little Dixie programs don't run themselves. In the Tri-County Area over 350 people are employed to operate Little Dixie's programs with annual wages over \$8,400,000 each year & over \$240,000 in stipends and living allowances.

Little Dixie employees own homes and pay rent, pay property taxes to the Counties, spend their paychecks locally, and generate sales tax for Cities and the Counties.
