### Get Active!

Walking and running is an excellent way to stay active and become physically fit. Exercise is also known to improve your mood and attitude. And the great part is that walking and running doesn't put a strain on your pocketbook: no gym membership required, and no equipment necessary! Now is the time to take control of your life and GET ACTIVE!

### All Runners will be timed using the ChampionChip Timing System.

ChampionChip has revolutionized timing for sporting events. The ChampionChip technology is used in all the big city marathons, Ironman Triathlons, plus thousands of other events around the world with proven results. Because of this technology, each runner will be timed individually using a chip that can easily be attached to your shoelace.

### Have Fun, Win Prizes!

The Race Against Poverty is a fun activity to participate in even if you aren't a serious runner. Those not able to run the race are encouraged to walk and enjoy the beautiful scenery at Hugo Lake State Park.

All participants will receive gift bags compliments of our sponsors and a commemorative race day t-shirt.

Prizes include a two night stay at Hugo Lake State Park valued at \$300!
